REGISTRATION & AGENDA

Early Registration Deadline: September 20, 2016

Join the Wyoming Council for Advanced Practice Nursing for the annual Pharmacotherapy Conference on October 14-15, 2016 at the Ramkota, Casper, Wyoming.

WHO SHOULD ATTEND

This educational conference is designed to support the professional practice and learning needs of nurse practitioners, clinical nurse specialists, advanced practice nurses, physician assistants and other interested healthcare providers by providing a variety of evidence-based educational topics.

ADDITIONAL WORKSHOPS

General conference attendees can also register for two additional workshops:

- **Friday, October 14th from 7:15 to 8:45 a.m. will be a workshop on Non-Certified NEXPLANON®**
Separate registration with additional cost of \$65 for this preconference workshop. Space is limited to 26 participants; please register early for the session. This session, which is sponsored by Merck, is not accredited for continuing education credit.
- **Saturday, October 15th from 2:45 to 3:00 p.m. will be a workshop on joint injections**
Separate registration with additional cost of \$50 for the preconference workshop. Additional 1.25 contact hours will be issued for this post conference workshop

CONFERENCE OBJECTIVES

At the end of the presentation, participants will be able to:

- Develop clinical skills and knowledge applicable to advanced practice nursing
- Describe current and future trends impacting advanced practice nursing
- Network with nurses in various specialties of advanced practice nursing
- Network with a number of healthcare service representatives to learn about state-of-the-art technologies and available pharmaceuticals

CONTINUING EDUCATION CREDITS

This activity will be submitted to the American Association of Nurse Practitioners (AANP) for continuing education.

Pending approval, participants can receive a maximum of 11.5 contact hours for attending this activity, of which 7.0 hours are in pharmacology. In addition, 1.25 contact hours for those who attend the post-conference workshop.

In order to obtain a Certificate of Successful Completion for this activity, the learner must complete the following:

- Sign the Verification of Attendance Form at the registration desk each day you attend
- Attend one or more sessions
- Complete and submit the online evaluation form for each session attended

DISCLOSURES

The planners for this continuing education activity declare no conflicts of interest in the development and implementation of this educational activity.

All faculty/presenters for this activity have attested that she/he will provide the best available evidence for this content and present information fairly and without bias. For individual written disclosures from faculty presenters, please see the individual session description disclosures.

EDUCATION EXHIBITOR AND SPONSORSHIP OPPORTUNITIES

WCAPN invites interested vendors to share product expertise with us during our conference. For more information on these opportunities, email tobi@wcapn.org or visit www.wcapn.org.

REGISTRATION & AGENDA

Early Registration Deadline: September 20, 2016

PRE-CONFERENCE WORKSHOP

Non-Certified NEXPLANON® (etonogestrel implant) 68mg Radiopaque Clinical Training program

Hands-on training for insertion and removal procedures, as well as implant localization techniques. Completion of this course will allow you to order the product from authorized distributor(s).

The training is open only to MD/DO, NP, PA or CNM's, and Residents authorized to perform the procedures entailed in the insertion and removal of NEXPLANON in the jurisdiction where they practice. And, for NP, PA or CNM's attest that there are specific state requirements and have met all appropriate state conditions including but not limited to collaborative or signing agreement with an MD/DO. Residents must understand that they can only administer NEXPLANON under the supervision of an attending physician who has also been trained on the procedures to insert and remove NEXPLANON.

It is Merck's policy to verify all clinicians' practice, license, and eligibility information in advance of the training. Merck will contact you directly if there is a problem. Attendees are expected to attend the entire training which is approximately 1.5 hours in duration. Certificates of attendance will not be issued to those who arrive late or leave early.

***Separate registration with additional cost of \$65 for this preconference workshop. Space is limited to 26 participants; please register early for the session. This session, which is sponsored by Merck, is not accredited for continuing education credit.*

POST-CONFERENCE WORKSHOP

How to Look Sharp Doing Joint Injections

Matthew E. Mitchell, M.D., *Casper Orthopedics*

Dr Mitchell will utilize this workshop to guide you through injection techniques of non-spinal large and small joints.

***Separate registration with additional cost of \$50 for the preconference workshop. Additional 1.25 contact hours will be issued for this post conference workshop.*
