WCAPN Advanced Practice Forum

Community & Convention Center • Lander, WY

Have a great research and evidence-based, information or quality improvement project? Present it in a poster during the Wyoming Council for Advanced Practice Nurses (WCAPN) Advanced Practice Forum on Saturday, October 5, 2019 at the Community & Convention Center in Lander, Wyoming. Posters are open to nursing professionals and students. The following types can be submitted:

- Research
- Quality Improvement—pilot projects, clinical innovation, and change projects.
- Informational

All applications need to be submitted electronically to wcapnevents@wcapn.org by Friday, September 13. Notification of poster acceptance will take place by September 20, 2019.

Each poster presenter must register for the conference and be available for discussion on October 5. Posters must be displayed on a trifold, free-standing poster board no larger than 3’X4’. Electronic application will consist of:

- Project type
- Project title
- Statement of purpose/clinical questions
- Framework/background and significance
- Method (design, setting/sample, protocol/implementation)
- Findings/results
- Conclusions/implications

For more information, visit <https://wcapn.org>. If you have questions regarding poster abstracts, contact the WCAPN office at (307) 247-4495 or wcapnevents@wcapn.org.
